BAE Systems Shows Their Support For Fleet Week San Diego

SAN DIEGO, April XX, 2008: Fleet Week San Diego is proud to announce the addition of a new sponsor who has dedicated its support to the foundation, which hosts annual events to show recognition to military personnel and to honor the service that they have provided this country. The three-star level sponsor is BAE (British Aerospace) Systems.

BAE Systems: BAE Systems is the premier global defense and aerospace company delivering a full range of products and services for air, land and naval forces, as well as advanced electronics, information technology solutions and customer support services. BAE Systems provides support and service solutions for current and future defense, intelligence and civilian systems. They design, develop and manufacture a wide range of electronic systems and subsystems for both military and commercial applications, and design, develop, produce and provide service support of armored combat vehicles, artillery systems and intelligent munitions.

Fleet Week San Diego Fleet Week San Diego is a nonprofit, public benefit corporation. In addition to honoring the military services through the annual Fleet Week events, the foundation's goals are to foster awareness of the contributions made by enlisted military personnel and their families, to enhance relationships between the civilian, business and military communities, to provide events that military personnel and their families can attend at little or no cost, and to raise funds for charitable efforts benefiting enlisted service members and their families.

The mission of the Fleet Week Foundation is to provide support, encouragement and recognition to our Military Patriots that serve our community and our nation. The Foundation arranges over 20 events throughout the year, including the Coronado Speed Festival, Red Bull Air Races, Sea & Air Parade, Enlisted Recognition Luncheon, Miramar Air Show, Navy Ball, the Fleet Week Football Classic, Operation Liberty Call and the Fleet Week Padres Baseball Game. Thanks to the overwhelming support from regional businesses and the people of San Diego, our Fleet Week has become the largest "thank you" to the military in the nation and has adopted the tag line, "Fleet Week, Honoring our Military throughout the Year".
